

Bluetooth[®] SoundBox 2in1

Mobile Bluetooth[®] speaker and speakerphone

TrekStor Bluetooth SoundBox 2in1 is a Bluetooth speaker and speakerphone in one.

Its handy format and powerful lithium-ion battery allows for a mobile music playback of up to 15 hours. Thanks to the newly patented technology, Bluetooth SoundBox 2in1 delivers clear treble and rich bass.

Using the supplied double-sided suction cup, you can attach Bluetooth SoundBox 2in1 to any smooth surface. Its splash-proof housing lets you use it in wet areas, such as the kitchen or bathroom.

Its handy dimensions of just 10 cm in diameter and its light weight of 132 g make it the ideal companion for your smartphone. After coupling the two devices via Bluetooth in a few simple steps, Bluetooth[®] SoundBox 2in1 remains on standby. Now you can easily accept incoming calls with the phone button and comfortably make hands-free calls using the speaker and the built-in microphone.
