eBook Reader

eBook Reader with illuminated
6" E Ink® Pearl display

The latest member of the Pyrus family continues the success story of the TrekStor eBook Readers. The Pyrus 2 LED combines all advantages of a classic eBook Reader: with 205 g it is a lightweight, and the. it's 2 GB internal memory allows you to store an extensive library of about 2000 books. Read these first!

To enable you to do so, we have added a special highlight to the Pyrus 2 LED! With the new subtle warm white backlit display you can read in any unfavorable lighting conditions ,even in bright sunlight or dark night. Simply by pressing a button you can set the brightness of your Pyrus 2 LED lighting. You can adjust the brightness in harmonious steps to suit the given conditions.
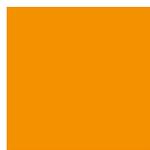

To provide you with a sharp typeface and flicker free reading, the Pyrus 2 LED was equipped with the famous E Ink® Pearl: display that is easy on your eyes and remains readable even in bright sunshine.

Its excellent features also include the focused-on-the-point functionality. The 6" display keeps the optimal balance between size and reading comfort; due to the rubberized surface the sleek lines of the case lie comfortably in your hand.

The Pyrus 2 LED uncompromisingly combines many features for individual and comfortable reading experience: the intuitive controllable menu structure with the new and clear home screen offers many functions to adapt your eBook Reader to your personal reading habits. You can select the font size from 6 different stages and, the clear bookmarking feature allows you to memorize where you have stopped reading. The optimized display on the reflow function at PDF formats provide you with perfect reading pleasure.

Of course, the Pyrus 2 LED supports all popular eBook formats such as ePUB, PDF (inkl. Adobe® DRM), TXT, FB2, RTF and PDB. It unconditionally tolerates your eBook collection and does not limit your selection of eBooks in any way.

Pure and unadorned, the eBook Reader Pyrus 2 LED concentrates on the essentials for the most important pastime in the world, namely reading, but does not have to do without the extras, such as extra sharply illuminated E Ink Pearl display. Enjoy now!
