

DataStation[®] pocket capa 3.0

External 2,5" hard drive with USB 3.0 interface

Superfast data transfer

Through the SuperSpeed USB 3.0 connector the DataStation[®] pocket capa 3.0 offers a very fast data transfer (maximal data transfer rate read/write: 103 MB/s or 100 MB/s). The hard disk is also pre-formatted and ready for use without a driver.

Supported are all major file systems of Windows[®], Linux[®] and Mac[®] as well as the operating systems Microsoft Windows[®] 7 / Vista[™] / XP, Mac[®] OS X from 10.3 and Linux[®] from Kernel 2.4x.

Mobile storage

The handy format of 12,7 x 7,8 x 1,7 cm makes it to the perfect data storage for the road and with only 206 grams it is also a real lightweight. Since the TrekStor DataStation[®] pocket capa 3.0 gets its power directly from the USB port, it is independent from an external power supply.

Durable design

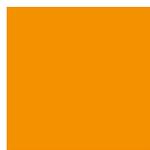

The anthracite colored housing made of aluminium does not only impress through its elegant design. It also ensures optimum heat dissipation, ensuring a long life time. The auto-off technology allows modern power saving management: The 2,5 inch hard drive is put into the standby mode, if it is not used for longer than twenty minutes.

Therewith the DataStation[®] pocket capa 3.0 works efficiently and safely.

Practical software

Included in the delivery of your new TrekStor product is a special edition of Radiotracker 6. With the popular web radio software Radiotracker 6, you can listen to the music from the more than 30.000 web radio stations and to countless podcasts as well as to record seven channels simultaneously.

Radiotracker 6 cuts automatically music title and provides it with the available information and even the album cover. In addition, you as a user of the Radiotracker 6 Special Edition have the possibility to buy Radiotracker 6 Platinum cheaper. Radiotracker 6 Platinum offers further functions, such as the systematic search for an artist or a song in all the available online radio stations.

Technical details

Hardware

Memory	750 GB, 1 TB
Interface	1 x SuperSpeed Micro-USB 3.0 connector (female)
Color	Anthracite
Dimensions (W x H x D)	127 mm x 78 mm x 17 mm
Weight	approx. 0.21 kg
Type of housing	Aluminum
Supported hard-disk models	SATA
Form factor	2.5"

Communication with the computer

Supported operating systems	Microsoft Windows [®] Vista™, Microsoft Windows [®] 7, Microsoft Windows [®] XP, Linux [®] from Kernel 2.6.x, Mac [®] OS X from 10.3.x
Maximum data transfer rate* / read	103 MB/s
Maximum data transfer rate* / write	100 MB/s
Average access time (HDD)	Approx. 13.1 ms

Other characteristics

Power supply	USB port
Power separation	No since USB-bus powered
Operation	Horizontal
Languages	English, German, Italian, Spanish, Polish, Swedish
Package contents	DataStation [®] pocket capa 3.0, Quick guide, Super-Speed USB 3.0 cable

* Data transfer rates are system- and capacity-dependent

We reserve the right to make changes and corrections.
