

DataStation[®] pocket x.u

External 2,5 inch hard drive in silver with a high-quality, black case in leather style

The DataStation pocket x.u is the perfect solution for the mobile use. The super-compact 2,5" hard drive weighs just 160 g and fits thanks to the dimensions of 75,2 mm x 13 mm x 123,5 mm (H x B x T) into every pocket. The high-quality aluminium housing of the DataStationpocket x.u looks elegant and provides optimal heat dissipation, extending the life of the drive compared to plastic housings.

No external power supply required

The 2,5 inch hard drive requires no external power supply as it relates this through the USB port. With the Hi-Speed USB 2.0 connector the DataStation pocket x.u offers a very fast file transfer: The data transfer rate for reading is at up to 26 MB/s, for writing a rate of up to 26 MB/s is reached. The hard drive is also pre-formatted and without driver immediately ready for use (except Windows[®] 98 – driver is included in the delivery).

Supported all major file systems from Windows, Linux[®] and Mac[®] OS X as well as the operating systems Microsoft Windows 7 / Vista[®] / XP / 2000, Mac OS X from 8.6 and Linux from Kernel 2.4.x.

High-quality case

To take the external hard drive safely on trips, a high-quality case is included in the delivery of the DataStation pocket x.u. This elegant case protects the drive from external influences and also looks chic. The also included software package (Paragon Partition Manager 6, Paragon Alles Mounter) completes perfectly the picture of the DataStation pocket x.u, which is designed for the mobile use.

Technical details

Hardware

Memory	320 GB, 500 GB, 750 GB, KIT (without hard-disk)
Interface	1 x Hi-Speed Micro-USB 2.0 connector (female)
Color	Silver
Dimensions (W x H x D)	75, 2.5 mm x 13 mm x 123, 5 mm
Weight	approx. 0.18 kg
Type of housing	Aluminum
HDD type	SATA
Form factor	2.5"

Communication with the computer

Supported operating systems	Microsoft Windows Vista [®] , Microsoft Windows [®] 7, Microsoft Windows [®] XP, Linux [®] from Kernel 2.6.x, Mac [®] OS X from 10.3.x
Maximum data transfer rate* / read	31.3 MB/s
Maximum data transfer rate* / write	31.2 MB/s
Average access time (HDD)	Approx. 15 ms

Other characteristics

Power supply	USB port
Power separation	No since USB powered
Buffer size (HDD)	8 MB
Operation	Horizontal
Package contents	DataStation [®] pocket x.u, Quick guide, Software CD, Leather bag, USB 2.0 Y-connection cable

* Data transfer rates are system- and capacity-dependent
We reserve the right to make changes and corrections.
