SurfTab® ventos 9.7

9.7" Android™-Tablet with dual core CPU, 16 GB memory and 1 GB RAM

A new experience of Internet and entertainment with the SurfTab® 9.7 from TrekStor
Reading emails, calling friends via video, surfing the Internet, watching movies and much more. The TrekStor SurfTab offers endless possibilities and an intuitive operation with Android™ 4.0 operating system.

Dual-core processor with 1,6 GHz
Due to the fast dual-core processor and 1GB RAM you may run several application simultaneously or watch high definition videos smoothly.

Android™ 4.0 operating system
The Android 4.0 (Ice Cream Sandwich) for devices of the latest generation offers numerous intelligent functions and settings.

High resolution, sharp multitouch display
The bright capacitive 9,7" (24,6 cm) IPS display convinces with brilliant colors and a fast reaction. The 10 point multitouch surface allows an intuitive operation and offers a high resolution display with 1024 x 768 pixels.

Extremely thin and light
The tablet feels light and comfortable in the hand, is with only 11,5 mm ultra slim and has a high quality aluminum back.

App Center with thousands of apps
Via the App Center you can extend your tablet with countless applications, games and eBooks. No matter if business or private: Here is the suitable offer for everyone.

Front and back camera
Thanks to the two integrated cameras, the tablet is ideal for video telephony and conferencing as well as for picture or video recordings.

Mini-HDMI™ connector
Through the integrated Mini-HDMI connector you can conveniently connect your TV and enjoy pictures or movies in best quality.

Card slot for microSD cards
In case the 16 GB internal memory are not enough, you can expand the SurfTab with a microSD card up to 32 GB.

Wireless networking with Wi-Fi and Bluetooth®
Through the WLAN standards 802.11 b/g/n you will surf the Internet with HighSpeed. Thanks to a fast Bluetooth the
