

SurfTab[®] wintron 10.1 3G pro

10.1" Windows tablet with Intel Inside[®], 64 GB storage capacity, 3G, 2 GB RAM and Full HD display

Mobile office and multimedia hub combined in our new SurfTab wintron 10.1 3G pro

The wintron 10.1 3G pro is one of our first new SurfTab tablets to run on Windows 8.1 Update. The combination of brilliant Full HD display, ultra-powerful Intel processor and Office 365 Personal make it ideal for home entertainment and office use. It's more than just an ordinary tablet: It's a world of possibility at your fingertips. Use it to create, integrate and have fun. Discover exciting apps in the Windows Store and surf the Web using the touch-optimised Internet Explorer.

Hardware with strength and stamina

Look forward to the perfectly aligned, high-performance CPU, the Intel Atom Z3735F processor with a clock speed of up to 1.83 GHz and 2 GB of RAM. You'll soon be carried away by its consistent, uncompromisingly high performance and impressive battery life. What's more, the wintron 10.1 3G pro boasts a Full HD resolution of 1920 x 1200 pixels. This makes it ideal for watching films, playing games and viewing photos in brilliant, razor-sharp quality or for reading e-books in the evenings.

Build on what you know and discover something new

The wintron 10.1 3G pro, which is equipped with Windows 8.1 Update, is in no way inferior to a notebook in terms of performance and diversity and is forcing the issue of mobility. Use the tile apps to place the functions you need most directly on your home screen so that you can quickly access your contacts, apps, websites and much more. If you choose, you can also switch to the familiar Windows Desktop view at any time.

Enjoy all the benefits and considerable flexibility of your home PC on the new wintron 10.1 3G pro. Thanks to Office 365 Personal¹, which you may even run on a second PC or Mac, you can now use your SurfTab to quickly and easily complete many of the tasks you previously carried out on your computer. Whether it's writing texts, editing spreadsheets or preparing presentations – from now on you can do it all on your SurfTab! 1 TB of online storage via OneDrive² rounds off the Office offer. This means you can access all your documents and files at all times without using any external storage devices.

The wintron 10.1 3G pro boasts an ample 64 GB of internal storage, however, you can add a further 128 GB of storage via a microSD(HC/XC) card. An optional keyboard with a protective cover that can be easily attached to the integrated keyboard dock transforms your wintron 10.1 3G pro into your mobile office for on the go.

Experience mobile freedom

The powerful 3G module of the wintron 10.1 3G pro allows you to go online wherever and whenever you want³. All you need is a data card (available from all mobile communications providers) to be able to surf the Internet on the underground or on holiday, for example. Enjoy your new freedom and experience the wonderful feeling of being constantly entertained and well informed!

SurfTab[®] wintron 10.1 3G pro

10.1" Windows tablet with Intel Inside[®], 64 GB storage capacity, 3G, 2 GB RAM and Full HD display

Get connected!

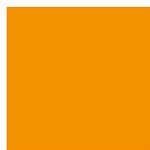

We've extended our already generous range of interfaces for the SurfTab once again specifically for the wintron series to ensure that you are perfectly connected at all times and have a suitable connection for every situation. Alongside a Micro-USB host port, a microSD/microSDHC card slot, WiFi, Bluetooth and Miracast, you will find a micro HDMI port and, for the first time, a fully functioning USB 2.0 port. This way, it's easier and faster for you to connect your printers, cameras, scanners, headsets and other devices.

Visual highlights

The multi-touch interface of the wintron 10.1 3G pro impresses with quick response times and accuracy, allowing you to operate the various SurfTab functions in a highly intuitive and relaxed manner. The 10.1" IPS display of the wintron 10.1 3G pro provides you with crisp, sharp images, even from awkward viewing angles, and reproduces high-resolution videos in razor-sharp quality. The high-performance Intel HD Graphics GPU makes light work of the most difficult tasks and is the driving force behind your unforgettable multimedia experience.

Capture unforgettable moments

A high-resolution 5 megapixel camera with auto focus on the rear of the wintron 10.1 3G pro allows you to capture the most precious moments of your life as snapshots or videos. Thanks to the 2 megapixel front camera, you can stay in contact with your friends or colleagues anytime and anywhere by holding spontaneous video conferences.
