

## USB-Stick CLICK

### USB-Stick

**Infinite possibilities:** On this practical stick with the measurements 66.3 mm x 22.3 mm x 10.6 mm (B x H x T), your pictures, your music, your photos or other files are always kept safe.

**Immediately ready to start:** The USB-Stick is preformatted and therefore ready to use immediately. The data transmission speeds are 15 MB/s / 5 MB/s (read / write) and thus allows you a fast data transfer.

**Practical:** Thanks to the retractable Hi-Speed USB 2.0 port and an eyelet for attaching a lanyard, the TrekStor USB-Stick CLICK is particularly practical. In addition, the stick is suitable for all standard Windows<sup>®</sup> and Mac<sup>®</sup> operating systems.
