

USB-Stick TINY

Small USB-Stick

Attractive design: You will get this small USB-Stick, with four practical protecting caps made of silicone. On this practical stick with the dimensions 34,5 mm x 6,3 mm x 13,8 mm (B x H x T), your pictures, music, photos or other files are always kept safe.

Ready to start: The USB-Stick is preformatted and thus immediately ready for use. It is equipped with the latest chip-on-board technology and enables fast data transfer (max. 21 MB/s reading speed and max. 9 MB/s writing speed).

Practical guide: On the key ring or as a pendant – the USB-Stick TINY is extremely small and fits into every pocket. In addition, the stick is suitable for all standard Windows[®] and Mac[®] operating systems.
